VII. UNIVERSITY REPORTS AND PRESENTATIONS

- A. Committee Chair, A.S. Executive Vice President, Frida Ariadne Diaz
 1. Google Drive, folder, and documents overview.
 2. Timely event planning, at least 4 weeks of anticipation.
 3. I want everyone to lead an event within their committees, this doesn't mean you can't help each other out, I am actually encouraging all of you to help one another.

4. When you present an event at these meetings I expect a full breakdown of what day, time, and location you want the event to take place. The purpose of the event/theme of it all. The type of food you want to provide/ what vendors you want to use. How many chairs, tables, trashcans, etc. you will need (this should be sent to me before our meetings on a timely manner).
5. I want everyone to get familiar with the different documents that are needed to make these events happen in case I am absent and need one of you to fill them out.
6. Our budget per event is \$300, quad area can't be used starting March 27 through April 24th so plan accordingly.
7. I will allow for committees to get together to form an event, that way you have more money to your favor as long as I see that the event requires it.
