D. A.S. President Jazmyn Horton-Alvarado

1. Will be sending out sponsorship letters hopefully by Friday for the 5K. will be using Eventbrite for participants to sign up.
2. Reminder that every single person should be able to plan, coordinate and execute an entire event from beginning to end by now. You should be familiar with all the forms needed, you should be comfortable asking for the credit card and buying your own supplies, you should be able to answer any questions about your event. If that is not the case, you need to spend time learning this on your own time. Reach out if you have any questions but really work on being able to do this yourself. Next semester Frida will no longer plan or assist with coordinating events. She will be supervising Aztec Events and be able to answer questions but she will not be physically doing the responsibilities. Next semester we will also be switching around committees. I will be choosing and you will know your new committee by the end of the semester!
3. Clean the office. It's a mess and unacceptable. Put all decorations and items away as soon as possible and do not leave anything outside the A.S. offices.
4. Asked how class visits were and if there was any feedback.

E. A.S. Executive Vice President Frida Ariadne Diaz

1. Reminded them about the Día de Los Muertos event.
2. Thanked all who helped at Monday's event, shout out to Senator Lara.
3. Informed them that whenever they are working an event or it's an all-hands-on-deck situation to please not be messing around, not be on your phone, or go with your friends and come back whenever they want. They should be working/doing the duty they signed up for, they will have time to eat and go have fun. Ultimately, they are there to work, if they see someone who needs help with food, help. If they come out of class early and see they are setting up, help. Just because they didn't sign up for another duty doesn't mean they can't help. If she sees this happen again, she will be giving verbal warnings which will lead to write-ups, which she really doesn't want to do, she really shouldn't have to, they all know what to do and what not to do.
