Welcome to the 2022-23 Academic Year!

## Aztec of the Month

**Graduates: 2023**

My experience at SDSU-IV has been one of the most wonderful, as I have

been able to develop not only academically, but also professionally. I've met wonderful people who have encouraged me to give my best and excel in what I like to do. I've found a place where I feel I can create a positive difference within the Cross Cultural Center thanks to Dr. Falcon, who's taught me so much and I believe that working together with her and the other members of the CCC we can create great things that have a positive impact on the lives of many students. I think it's important to find a safe place where you can go take a breather, which is the Food Pantry for me, where I started as a volunteer because I wanted to help students who face food insecurity, but ended up finding a place where I felt comfortable and part of a family. Finally, I invite all students to participate and be involved in the different activities and services that SDSU-IV offers us, because this is the best stage of our lives, and it is where we have the most opportunities to achieve our dreams.

## Greetings Aztecs!

The time has come for us to celebrate the end of the academic year. For many, this is where we prepare for graduation and what is to come afterward. For others, it is a very well-deserved break from the classroom, exams, and assignments. No matter your reason for celebrating, do so with one another and enjoy your time together. It has been an absolute privilege and honor to serve as your A.S. President this year. Good luck to you all and congratulations Class of 2023!
