Welcome to the 2022-23 Academic Year!

Aztec of the Month

Mario Martinez

Major: Psychology
Graduates: 2025

As an SDSU Aztec, it's important to be aware of what's happening in the world and to learn to embrace new cultures.

Having survived the pandemic which limited the contact we had with people outside of our families, it was imperative that we go out and begin the process of socializing and experiencing life anew. I was a freshman at SDSU Imperial Valley and when the pandemic happened, SDSU students had to stop going abroad. As president of Aztecs Around the World, I worked diligently with our advisor and with the members of the club to establish its presence back at SDSU-IV in order to help students develop a plan to allow them to travel. Experiencing a culture and country that I'm not familiar with has helped me gain a global perspective and bring back the knowledge I have gained to view what we are learning at SDSU through a more worldly lens.

Greetings Aztecs!

Hello SDSU IV! I want to welcome you all to this new academic year. While we continue to navigate a pandemic and other worldly issues, find comfort in knowing you are striving towards your goals and dreams. I hope this year you learn more than you ever have, create beautiful memories, and build new connections with others. Associated Students is here for you, please reach out if you have any questions or concerns! Thank you!
