Being part of the Aztec community at the SDSU-IV campus has been one of the best journeys

I have experienced in the last few years. Last year, I got my bachelor's degree in Liberal Studies, and now I am pursuing my Teaching Credential, intending to become an exemplary elementary educator in the Imperial Valley. The teachers, advisors, and staff are outstanding persons who have inspired and guided me to give the best of myself on my educational journey. In this community, I have met excellent people and built friendships from whom I have learned much, and I am thankful to them. It has been a challenging journey, but thanks to the fantastic community the SDSU-IV campus has established, I did not hesitate to ask for help at any moment. I will continue to be a proud Aztec and do my best to become an excellent individual and educator for our community!

Greetings Aztecs!

Welcome back Aztecs! I hope everyone had an amazing break, the semester has begun and it's time to get back to work! Remember to set goals, study, meet new people, and create new experiences while on your journey here at SDSU-IV. Make sure to ask questions, get involved, attend events, and possibly join A.S. Elections are coming up! I wish everyone an amazing semester and remember to take all the opportunities thrown your way! Good luck!
