Aztec of the Month

Daniela Rodriguez
Psychology Major
Graduation Year: 2025

Hi Aztecs! I am honored to receive this opportunity to be your Aztec of the Month. Since becoming a student at SDSU-IV I have loved attending campus events, my favorite being Mental Health Day, and becoming involved with multiple departments. Working with the Academic Learning Center has allowed me to engage with freshman students, serving as their mentor and tutor. I also enjoy working with the Student Accommodation Services Center by being a notetaker. Working with these programs across campus has helped me grow not only as a student but as a person as well; expanding my communication skills, becoming more responsible, and making me accountable with my schoolwork.

I appreciate the opportunity to be involved in these programs because it allows me to meet more people, network, get to know them, and see their progress along the way. I look forward to a good spring semester. I'd like to give a special thanks to my mentors, coworkers, and fellow classmates for allowing me to expand my wisdom and grow with them.
