Welcome to the 2022-23 Academic Year!

Aztec of the Month

Melany Amarillas (She/her/hers)

Major: Public Administration

Graduates: 2023

As an Aztec, I will always be grateful to SDSU-IV for the various opportunities that they have provided me. I've met great professors whom I've had the opportunity to work with as a research assistant on their projects. I am also proud to say that I became part of the SDSU Research Foundation this academic year, to work on the Health Literacy level of the Imperial Valley. I have also just recently joined the Food Pantry program in which I've been able to help students fight food insecurity. I've had the chance to see the program grow and nothing makes me feel better than to see students walk away with a bag of food. It's hard to be a student and try to balance life, so I encourage students to take care of themselves and focus on what they like. I also want to suggest students to get involved as much as you can and enjoy every day. Lastly, I want to thank Dr. Bukalova for being a great mentor and guiding me through my academic journey.

Greetings Aztecs!

Aztecs, I hope you are all having an amazing semester. I look forward to seeing you at our events. If you ever have any questions regarding A.S., you can stop by my office, located inside the Student Union Building. I am here to help in any way I can. The semester is almost over, finish strong! We will be having goodies in the Student Union Building during finals week. Don't be shy and stop by! :)
