Perla Soto Urzua
 English Major
 Graduation Year: 2025

My name is Perla Crystal Soto-Urzua. I am an English major and I will graduate in 2025. My journey at SDSU-IV has been great so far. Everyone has been so welcoming and helpful. In my first semester here, I already feel as part of the community here on campus. I want to continue becoming involved here and be just as welcoming and helpful to others. With such a great beginning, I have no doubt things will continue to go up from here on out. I can't wait for more experiences and to continue meeting wonderful people.
