Greetings Aztecs!

Hello, Aztecs I am excited about this academic year since everything is slowly going back to normal, to get to participate in SDSU-IV events and have the University experience since covid is getting better. I'm looking forward to seeing more students involved in school this year. My goals for this year are to apply to the Social Work Masters Programs (don't forget applications begin on October 1st!). Lastly, I wish everyone the best of luck and remember to work hard, dream big, and never give up.

Major: Political Science **Graduation Year: 2026**

SDSU-IV has been one of the best things that has happened to me. I've enjoyed feeling connected to my school and I feel a part of a community here. I joined the Chicax club and I've made some amazing friends because of it. I also greatly appreciate all of the people in charge of making our lives as students a little easier, thank you to Melissa, Georgette, and Vivian. And these are just a handful of the people who have helped me feel more comfortable and more welcome here in SDSU-IV. If anyone is interested in joining Chicax club I highly recommend them to do so, it's a fun little community in the community, the people are really nice and easy going. Thank you for your time and good luck with your studies everyone!
