## Aztec of the Month

### Anayli Peña

“Through my years at SDSU, I’ve got to enjoy the best of both worlds, by staying close to my family, friends and saving some money, but also getting the University experience of events and good academics. If I could stay at SDSU forever I would as their people (staff, students) are really good, and I will always be forever grateful and will always be proud to be an Aztec!”

Graduation Year: 2022

Major: Psychology
