♥️ *Aztec of the Month* ♥️
Alma Reyes-Torres

"I've had a great experience at SDSU, I feel like I've already made friendships I'll cherish forever. My professors have been awesome and joining the Chicane Club has been a highlight for me. I'm currently working at an elementary school and I drive to SDSU after work and hang out in the library for an hour or so before my class starts. I love how peaceful campus is and I truly feel proud to be a part of it."
